A~~
O~~
BA~~!
Where are you going?
There's a report you still haven't submitted yet, right?
EEK! KINUGASA, OVERLOOK THIS!
LEAVE IT TO ONEE-CHAN!
Combined Fleet Girls Collection Kan Colle- Combi à la Carte
Maizuru Naval District No.12
MORINAGA MIKI
There's a story I just have to go investigate!
Nope! As a secretary ship, I can't overlook this!

I got a rare picture
ニヤ
かしゃっ
of Kinugasa's angry face!
むむむ
Oh dear...
How is the report supposed to come in on time if they're playing tag?
Now, which one of them is supposed to be the older sister ship...
AO BAA A~!!
KYAA
Huh?
You don't even mind if the documents are late?
AOBA-KUN, COME BACK. IT'S URGENT!!
Well, Ooyodo-san, it's good that they get along well.
ギシッ
It livens up the atmosphere, doesn't it?

Where did that Aoba run off to~
まふ
Oh, hey, Kumarinko!
Did you see Aoba?
まふ
I didn't, but...
So?
What did you learn from your investigation this time?
THAT PEOPLE ARE SAYING THEY CAN'T TELL WHICH OF US IS SUPPOSED TO BE THE ONEE-CHAN, AOBA OR KINUGASA!!!
What kind of things do you usually investigate?
I want to be a reliable elder sister ship!
So I guess things are no good the way they are...
Right...

How about cooking?
I can manage somehow if I read a book.
And socializing?
Sometimes when collecting material for a story I get chased.
And combat?
I don't have a second remodel yet...
.....
SILENCE
I.. I'm starting to feel uneasy.
I wonder if I can serve as Kinugasa's onee-chan like this?
...Alright!
Eh?
You're gonna stop reporting!?

Because I suppose
I've gotten a bit too absorbed in reporting.
Why so suddenly...
Anyway, I'll seal this for a while!
Please hold on to it!
だは
So I guess I need a little break...
Isn't that totally impossible?
?
Well, that's all!
Kinugasa! Expect more from me!
Hold on, Aoba!

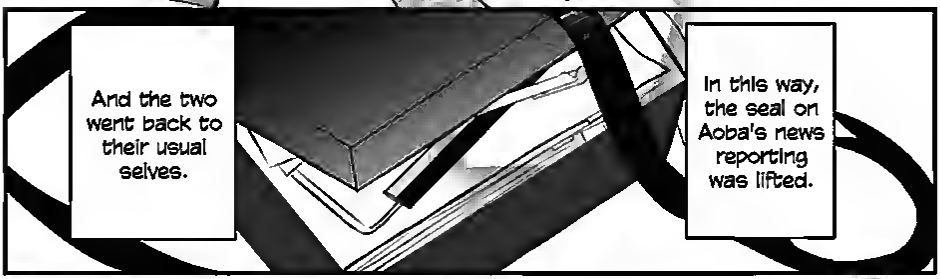
Handmade sweets
neatly folded laundry
Ship outfitting polished to a shine...
Lately
Aoba's been weird.
?
The same as usual then, right?
No, I mean...
It's like she's pushing herself...
It seems she's not even reporting anymore...
It does seem that she's trying to do her best but,
somehow she's in low spirits.
When Aoba's like that,
it throws me off too.

Hmm...
Are you okay? It seems like you've been tired lately.
Com-mander
KINUGASA-SAN!
Com-mander...
Have I succeeded at being a proper big sister?
Admiral, the fleet has re-turned.
Big sister?
Eh?
However, Kinugasa...
The opera-tion was a success.

Took a direct hit from a Ru-class shell...
Kinugasa!
The external wound was nothing too serious, but it seems like something is distracting her and keeping her from focusing...
What's the matter?
ぶわっ
Oh dear.
AOBAAA
She's relieved to see Aoba-chan's face since she couldn't see her during the expedition.
ほっ

You were scared, weren't you, Kinugasa.
It's okay now.
HUH!?
YOU WERE CONCERNED ABOUT WHETHER ONEE-CHAN COULD MANAGE PROPERLY!?
ANE
But an older sister should be reliable, and should be able to handle anything...
Isn't it that sort of image?
Ehehe...
I thought it was weird for you to stop doing your reporting.
I was wondering what you'd say.
Aoba, you're the one who always needs help.
You're a scatterbrain,
and I even have greater firepower.

I couldn't ask for a more wonderful onee-chan!
Besides, I think when I see you cheerfully doing your reporting,
it puts me at ease so I can do my best too.
You don't need to bother with any of this.



And the two went back to their usual selves.
In this way, the seal on Aoba's news reporting was lifted.

There's nothing wonderful about it.
But we still haven't gotten the report.
Oh!

Nope.
How wonderful.
It's so delightful to see them getting along well!
Kinugasa! Give it back!
